**Michelle Davis**  
Musical Director/Choreographer

Stepmother (Cinderella)  
Andrina (Mermaid)  
Calamity (Calamity)  
Edith (Pirates)

Michelle would like to express her gratitude to her husband, Skye, for sharing her passion for Starlight and also to her parents/family for always supporting her and helping out whenever possible. She is so grateful for her three wonderful children that teach her patience and inspire her daily. She is also grateful for all of you, for taking time out of your lives to come and see a show.

**Skye Davis**  
Artistic Director

Sebastian (Mermaid)  
Pirate King (Pirates)

Skye has always loved attention and the outdoors, so what better place for him to be than at an outdoor theatre? He is still a little apprehensive about stepping into his father's shoes and is still overwhelmed by all of your love and support for him and the theatre. He would like to thank his wife, Michelle, because without her Starlight would fall apart.

**Skye and Michelle** met and fell in love on the Starlight stage! That love is entwined with their love of Starlight. They have been blessed to be able to pass that love on to their children, nieces and nephews, their friends and their children. Skye and Michelle hope that you will feel the special spirit of family here at Starlight.

**Jan Davis**

Executive Director  
Founder of Starlight Mountain Theatre

Jan and Ed moved their family from Georgia to Idaho in 1999 to build an outdoor theatre in the mountains of Garden Valley. Now, 24 years later, they have been blessed to watch Starlight grow into a premiere theatre house, while

also gaining an entire village of Starlight Family members! With son, Skye, stepping into Ed's shoes as Artistic Director, Jan now runs the business side of Starlight, and wants you all to know how much she loves and appreciates you for your friendship, support, and love over the years, especially following Ed's unexpected passing in 2020. "You are the reason we do what we do, so sit back, relax, and enjoy a beautiful evening of Broadway Musicals, Under The Stars!"

*"Dr. Ballou does a great job for our entire family. He is awesome with the kids! He's more than a Dentist - it feels like you're sitting with an old friend."*

**Jeff Thompson**

*"After a lifetime of 'dentist phobia', all it took was one session with Dr. Ballou to have me completely relaxed, and confident that he would never hurt me. He is an expert in his field, traveling around the country teaching ground-breaking technology to fellow dentists. We are so lucky to have such an experienced, talented dentist in our community!"*

**Jan Davis**

*"This is not your grandfather's dentist! Dr. Ballou uses all the latest techniques and modern advances to provide a wonderful experience. Dr. Ballou took time to answer all my questions and make me feel very comfortable. We won't take our family anywhere else!"*

**Marnie Kelley**

*Between replacing my two front teeth after they were broken in an on-stage sword fight last summer, to fitting me with a Sleep Apnea device to improve my sleep and my general health, Dr. Ballou is my guy!, I recommend him to all my friends and family*
